A natural addition for brighter days.

Collagen daily topper solutions for dogs - available as Richie’s or your own private label.

BULK SUPPLY

25kg ingredient bags

POUCHES

300g resealable packs

STICK PACKS

5g and 10g servings

WHY COLLAGEN?

Nutrition for everyday life

Naturally rich in collagen, with simple ways to add it to a dog’s regular food.

Joints & mobility

Collagen is a structural component of cartilage and connective tissue.

Skin & coat

A source of amino acids used in the body’s structural proteins.

OUR SOURCE

A collagen-rich ingredient made from pork rind. Ask us for the current product specification and nutritional analysis.

Simply sprinkle over regular food.

OPTION 01

Bulk ingredient solution

25kg collagen topper bags for pet food manufacturers.

A FLEXIBLE INGREDIENT FOR YOUR RANGE

- Dry kibble
- Wet pet food
- Fresh & frozen diets
- Raw diets
- Functional treats
- Pet nutrition products

BULK INGREDIENT SUPPLY

25kg bags | Minimum order: 500kg. Ask us for specifications and availability.

OPTION 02

Richie’s 300g doy pack

A convenient daily topper in the new cream and forest-green packaging.

Scoop & sprinkle

Includes a measuring scoop. Add to your dog’s usual food.

Resealable freshness

A practical 300g pouch, packed six pouches per case.

YOUR BRAND OR OURS

Available as Richie’s Collagen Topper or as a private-label product for your own range.

OPTION 03

Richie’s stick packs

Clean. Convenient. Consistent.

Tear. Sprinkle. Serve.

Single servings in 5g or 10g formats. Easy to take along or use at home.

Display your range

Counter displays, subscription packs and shelf-ready presentation.

IDEAL FOR

Pet specialists and retail • Subscription orders • Sampling and promotions

YOUR BRAND. OUR EXPERTISE.

Let’s create your range

Your logo across all three formats: 300g pouches, stick packs and 25kg sacks.
